## PROFESSIONAL SUMMARY

Software Developer & AI/ML Enthusiast skilled in Python, Java, JavaScript, React, Next.js, SQL, and Machine Learning. Experienced in building full-stack applications, data analytics solutions, ETL pipelines, and GenAI-powered projects. Passionate about solving real-world problems through technology and data-driven innovation.

## EDUCATION

|                                                         |                 |
|---------------------------------------------------------|-----------------|
| <b>Bachelor of Technology</b> (Artificial intelligence) | 2024 - 2028     |
| Newton School Of Technology, Rishihood University       | Grade: 7.6/10.0 |
| <b>Intermediate (Class XII)</b>                         | 2023 - 2024     |
| Oxford international school                             | Grade: 80.0%    |
| <b>Matriculation (Class X)</b>                          | 2021 - 2022     |
| Vidyasagar school                                       | Grade: 81.33%   |
